### PRODUCT DESCRIPTION

The Hedman EDP 2000 is a continuous form check signer with dependable security and easy operation. It can handle documents from 2 to 17 wide and 3.5 to 7 long. Security features include dual key locks, tamper proof screws, non resettable counter, etc. Optional tri color ink rolls are available for added security. A signature form used to engrave the signature plate will be sent upon purchase. Signature plates are not included in the unit price and the cost varies depending on the number of signatures and optional security features if any that are required.
