PRODUCT DESCRIPTION

The Widmer RS MN document signer is the base model for manual document signing yet is still loaded with helpful features such as printing the current date on the document in addition to a seven digit number; the date must be set manually each time. The RS MN imprinting machine signs and endorses checks and documents from 2.875 to 15.5 wide and 2.875 to 16 long. Up to 9 pre programmed jobs can be stored for different types of documents. For security, the unit can be key locked to prevent unauthorized use. A signature form will be sent upon purchase to be submitted to the manufacturer. This form will be used to create a customized signature plate. Also available for 220 voltage.
