### PRODUCT DESCRIPTION

The Formax FD 130 allows you to process continuous form documents of many sizes for signing checks, endorsing checks or stamping documents. Dual locks and multiple counters make security and audit easy. Many love this machine for its ten different pre programmed job settings and fast signing of up to 325 pieces per minute. Tri color and ultraviolet ink rolls are available for extra security. A signature form will be sent upon purchase to be submitted to the manufacturer. This form will be used to create a customized signature plate.
