PRODUCT DESCRIPTION

The Formax FD 100 is a continuous form signer capable of processing up to 240 documents per minute. It can handle documents up to 17 wide and either 3.5 or 7 long. This unit can imprint signatures, seals, or logos anywhere desired on the documents. This is the ideal unit for signing either 7 or 3.5 continuous checks or documents. Tri color or ultraviolet ink roll is available for added security. A signature form will be sent upon purchase to be submitted to the manufacturer. This form will be used to create a customized signature plate. Optional stand available.
