PRODUCT DESCRIPTION

WIDMER R 3 S BASIC CHECK SIGNER The R 3 S Basic Checksigner is an easy method used for signing checks and documents quickly and efficiently. With the R 3 S the simple action of inserting the check or document triggers the electronic printing, and the check signer does the rest. To remove the engraved signature plate, simply push the lever which may be mounted to holder in any of four directions to accommodate almost any check or document. The Widmer R 3 S Basic Check Signer is similar to the Widmer S 3 model except for the Dual Lock Security System feature. Maximum Height of Documents that can be inserted into the stamp and the stamp will still print 3 8 inch. If you anticipate inserting documents that are close to the acceptable limit into the machine, we recommend you purchase the Custom Baffle. **FEATURES** Instantaneous Trip No Buttons to push or handles to pull Adjustable Guide For precise signature alignment Rugged Metal Brass Signature Plate Clear, distinct reproduction and long life Case Lock Optional Electric Security Lock available Removable Die Holder **OPTIONAL FEATURES** Extra signature and holder Extra signature on same holder Double or triple signatures Check endorsing die plate Electric security lock Visual counter Straight line borders Wavy or dotted background Three color ribbon **SPECIFICATIONS** Dimensions 7 1 4 height, 6 1 4 width, 10 depth. Shipping Weight 18 lbs Total Engraving Area 1 7 8 wide x 7 8 high 115V 60 Hz. Optional 220V li50 Hz
