### PRODUCT DESCRIPTION

Check Endorser Shear Tech 5950 Dual Printing Head Check Endorser The Shear Tech LE 5950 Dual Printing Head Automatic Check Endorser is a fully automatic, high speed, stand alone, programmable, Check Endorser with double print heads allowing you more area of text on your endorsement. With the new LE 5950 Check Endorser Shear Tech has doubled the printing power of their previous model LE 5900 by adding second print head. The LE 5950 can now print twice as much information, compared to LE 5900, at the same speed of up to 7,000 doc hr. The Shear Tech LE 5950 can be used as a Check Endorser, Check Counter, Check Batch or Splitter, and as a Check Date and Time Stamp Samples of Double Head Print are shown above. See a Video Demonstration Presentation of the LE 5950 by clicking on the Video Link on the Right Side of this page. Features Dual inkjet cartridges allow printing twice as much information compared to the Shear Tech model LE 5900. Can print up to 100 characters spaces per line. The LE 5950 can print four lines or 400 characters spaces. High speed 7,000 doc hr , High Quality inkjet linear endorser. Integrated auto feeder. Ink Cartridge capacity approximately 5,000,000 alpha numeric characters in Standard font. Most Endorsements are approximately 50 characters, so each Ink Cartridge is good for about 100,000 checks. Comes with 2 Black Cartridges Installed, one for each of the printing heads The Cartridge is a Hewlett Packard C6602A Ink Cartridge Ink Level monitoring capability and Ink Low notification. Keyboard programmable. Holds 33 selectable endorsement format lines. Four Operating Modes One or more Operating Modes can be done in the same process pass Endorsing. Counting Counting documents . Splitting Dividing batches of checks into smaller groups . Clock Displays Date and Time . The most
